

SP 47.1, Transportation - General

Administrative changes made in the accompanying 5-12-06 revision to the current Jan 1995 version:

1. Makes “F.O.B.” the abbreviation for “freight on board” throughout the SP.
2. Eliminates tri-lab references. This is an LLNL-ONLY SP.
3. Replaces “Traffic Office”, which was a generic tri-lab term, with “Transportation Services”, which is the name of the LBNL organization that handles transportation matters.
4. Updates old SI references with their current SP equivalents.
